

School open day guide

Parents looking for the right school for their child often find it useful to see first-hand what different places have to offer. Open days provide a valuable opportunity for parents to tour facilities, meet teachers and learn about the curriculum of prospective schools.

To help parents find out about Catholic schools in their area, *Australian Catholics* is offering schools the chance to advertise their open days in the magazine. Below is a list of schools, open-day dates, and contact details. Parents interested in attending open days should contact the schools to check the times they open as these vary.

We will be running another list of open days in next year's Winter issue. Any schools wanting to advertise should contact jhammond@jespub.jesuit.org.au by 22 April to arrange an entry. Primary schools are also welcome to advertise.
