

School open day guide

Parents looking for the right school for their child often find it useful to see first-hand what different places have to offer. Open days provide a valuable opportunity for parents to tour facilities, meet teachers and learn about the curriculum of prospective schools.

To help parents find out about Catholic schools in their area, *Australian Catholics* is offering schools the chance to advertise their open days in the magazine. Below is a list of schools, open-day dates, and contact details. Parents interested in attending open days should contact the schools to check the times they open as these vary.

We will be running a list of open days in each issue of *Australian Catholics*.

Any schools wanting to advertise in our next issue should contact

jhammond@jespub.jesuit.org.au by 29 September to arrange an entry. Primary schools are also welcome to advertise.
