Getting the most out of your subscription

## How to get the most out of your magazine

We want you to get the most out of your subscription to *Australian Catholics*. To help with this, we've put together some ideas for using *Australian Catholics* to engage students, staff and parents at your school, as well as some examples of the different resources we have on our website.

You can find our guide here: www.australiancatholics.com.au/ article/using-our-magazine

#### Sign up to more resources

We'd also encourage teachers to sign up to our free, weekly *Catholic Teacher* e-newsletter, which will provide regular updates on new features and resources, links to articles for upcoming events and feast days, as well as other useful information and articles.
